ADRIAEN'S LANDING

All in one **Complex.**

One **easy** footprint.

The Connecticut Convention Center Complex is central to downtown Hartford's rapidly expanding entertainment and convention district, a beautiful riverfront which includes a reimagined, recaptured and revitalized park system complete with walking paths, boat tours and a host of cultural events beside the beautiful Connecticut River.

Also within the Complex's footprint:

Riverfront Plaza – Features an open air bandshell for enjoying music, arts and beautiful views of the river, as well as a paved, 3-mile pedestrian river trail stretching north and south on both sides of the river.

Connecticut Science Center – This Cesar Pelli designed, 12 story, state-of-the-art marvel has attracted millions of visitors.

Front Street – This happening city square directly across the street from the Convention Center will feature 60,000 sq. ft. of new and exciting dining, entertainment and shopping attractions.
