Show Features: The CMTA Hartford Boat Show returns to the Connecticut Convention Center with the area’s best selection of watercrafts and accessories! The show will feature over 60 brands of cruising boats, family fishing vessels, bass boats, runabouts, pontoons, ski boats, aluminum boats, inflatables, jet boats and jet skis / personal watercrafts.

There are plenty of FREE seminars from catching that fabulous fish, maintaining engines & general boat maintenance; to navigating, boat handling, racing, electronic charts, anchoring and more!

There is a lot to see and do with well over one hundred vendors – and don’t forget a chance to win one of the door prizes that includes a boat, there’s a drawing each night for a \$1,000 CMTA Gift Certificate from all the new boats

that were sold at the show that day – that’s a total of \$4,000 for new boat buyers! It is the ideal place for boaters and families who are looking to purchase their first watercraft, looking to upgrade their present cruiser, or for the veteran boater looking to explore new adventures.

**Wicked Cool, Wicked Fun Wicked Tuna, better run... to Meet the Crews from Wicked Tuna
