HARTFORD, CT (July 17, 2014) – The Council of Engineering and Scientific Society Executives (CESSE) 2014 Annual Meeting is in its last day in Spokane, Washington. The three-day meeting runs from July 15 thru July 17 and is designed to provide learning, networking, and relationship development opportunities.

In attendance is Anissa Ladd, Senior National Sales Manager for the Connecticut Convention Center. Anissa has been attending the educational tracks and networking with chief executive officers and mid-to-senior level staff members of scientific and engineering societies.

On Tuesday, Anissa branched out from the typical trade show experience as she joined fellow attendees in the *Enjoy a Float!*, where they had a unique view of the area from a raft on a three-hour trip down the Spokane River. Early Wednesday morning, Anissa also took part in the 19th Annual CESSE Fun Run/Walk.
