## CATERING GUIDELINES

### PRICING:

Pricing is subject to change and will be confirmed three (3) months prior to your event. All catering quotes are based on per person pricing unless otherwise noted.

### DEPOSIT/ATTENDANCE GUARANTEE:

All catered functions require an initial deposit equal to 20% of the contracted food and beverage minimum. In addition, a 45% food and beverage payment on the estimated number of people attending will be required sixty (60) days prior to your event and a 35% food and beverage payment on the estimated number of people attending will be required thirty (30) days prior to your event. The remaining balance is required five (5) business days prior to the day of the event.

In order for us to provide you with the highest quality service, we require a final attendance guarantee no less than five (5) business days prior to your event. Your event will be billed based on this final attendance guarantee or the actual number of guests served, whichever is greater. Consumption and remaining expenses are to be paid immediately upon the conclusion of your event.

### MEETING ROOM DINING POLICY:

The room must initially be set with round tables of 10. All attendees must vacate the room and allow our staff to re-set for the meal function (please anticipate a turnaround time of at least 90 minutes to reset any of the Center's meeting space. The amount of time required will be determined solely by the Catering Department, based on the level of service needed for each event). Following the meal, our staff must have ample time to clean the room prior the meeting's commencement. Modifying the above guidelines will result in additional labor charges as determined by the Catering Department. The Center's pricing and service levels are based on rounds of 10.

### TAX AND SERVICE CHARGES:

All catered functions will have a 22% service charge and 7.35% sales tax added to the total bill.

### TAX EXEMPTION:

Per the State of Connecticut, all qualifying organizations are required to provide valid tax exemption certificates/documents to the Connecticut Convention Center. Please refer to the Connecticut Department of Revenue website for further information on tax exemption eligibility and requirements: [www.ctgov/drs](http://www.ctgov/drs).

## MENU GUIDELINES

As part of our commitment to your event and its success, we have designed the following menu guidelines to assist you in the event planning process. Banquet menus, room arrangements, floor plans (which must be approved by the Catering Department) and other details pertaining to your event should be submitted to the Catering Department a minimum of 30 days prior to your arrival date.

### GUARANTEED MINIMUMS:

All items ordered must serve the minimum guaranteed number of guests. In order to protect the service and quality of your event, we do not accept orders for items that serve less than your total guaranteed minimum in attendance.
